The 1969 CENTRALEER

Official Publication
of
Central High School
Bolivar, Tennessee

Foreword

The closing of another year at Central High School has brought with it sorrows, joys, hardships, and fond remembrances of past experiences. For those who have gone through four years at Central, it is a lengthening of a firmly established bond between friends, faculty, and fellow students. For those who are beginning to tread the new walks of life it is a time for a view into the far future. To others it is a beginning of victories, defeats, happiness, and praises.

We, the editors of the 1968-69 CENTRALEER, wish to relay to you these fond recollections of a year past.

I Am the School

I am the school

I am a sprawling pile of brick and steel

People expect great things of me.

I am said to be the foundation of democracy.

Without me free people cannot exist—they say.

I am many things to many people.

I am slow growing but I change; I am erratic too.

I am children: endless seas of teeming youth,

Eager all, but differing in many ways.

I run and leap and bound. I sleep.

I am books and desks, rooms, square rooms, long rooms, old ones, new ones, millions of rooms—but too few.

I am athletic fields and pencils.

I am games and jobs and contests.

I am pint-sized men called administrators.

I am hulking genius wasting my time with my own pettiness.

I am at once trivial and immense, beautiful and ugly.

My brain is called the best and the worst by the same people.

I am intense and dangerous, do-nothing and harmless.

I am endless records and reports which I hate (yet which seldom affect anything more important than my humor.)

My backbone is made of people-teachers. Each joint is different like the children that I am.

I am good honest democratic teachers with high ideals.

I am common ordinary teachers who would do better to scrub my floors.

I am old-fashioned and behind the times.

I am new-fangled and not basic.

I am necessary—an old mixture of good and bad.

I have ideas, dreams, and moods.

I am academic classes, shops and clubs.

I am desired by many and envied by some.

I am hated and despised, cursed, be-ridden.

For I am the school—the public school.

I am loved by politicians and scholars and held in high esteem.

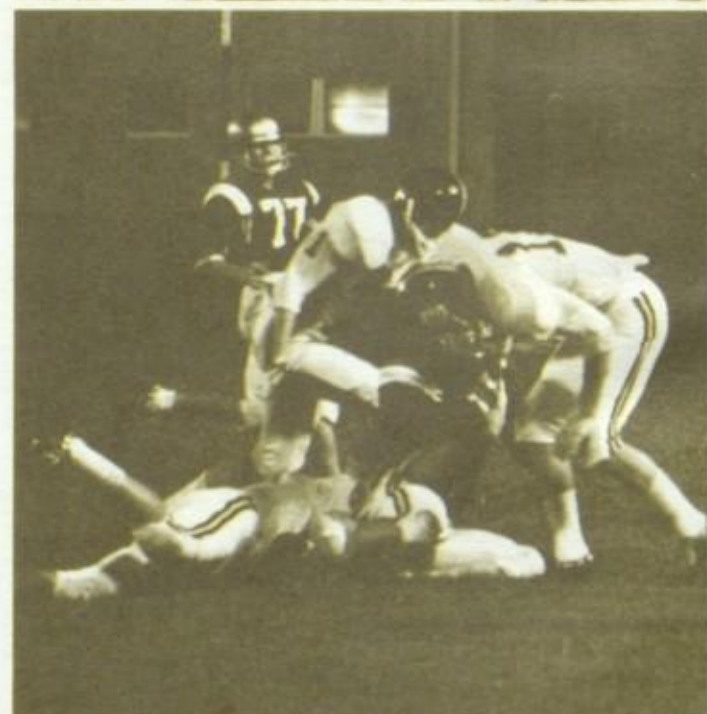

I am not important to slow boys, ignorant men, or some girls old enough to marry.

I am brick, steel, books, people—always people—land, ideas.

I am builder of nations.

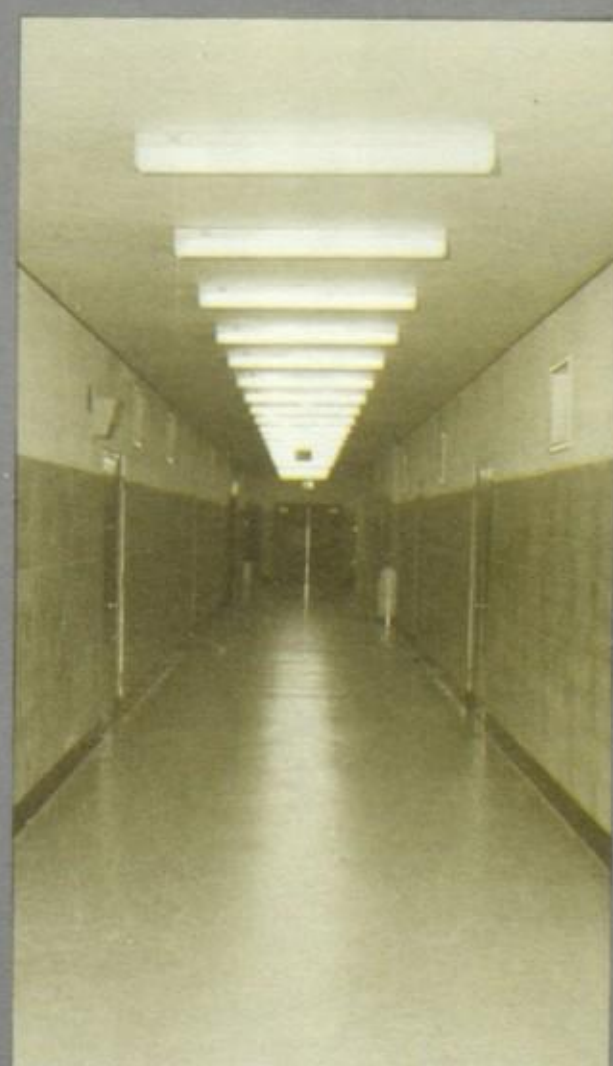

I am the school—Yes, I am the school.

Alma Mater

We owe to you, Alma Mater;
We owe to you our memories true.
For in these halls, Dear Alma Mater,
We learn of books and living too.

We owe to you, Central High School;
Our happy days and friendships too.
We'll not forget, Alma Mater;
To this school, we'll ever be true.

Dedication

We, the members of the annual staff, wish to dedicate this 1968-69 Centraleer to someone who fully deserves all the sincere appreciation and gratitude than can possibly be given. She has been one of the hardest working members of the school force for many years, yet she has never been given the credit that has been due her a long time. Through her longstanding patience and assistance in the office, we the annual staff, now try to present a small amount of this long due debt of gratitude by dedicating this 1968-69 Centraleer to

MRS. MATTIE OWENS

Principal's Message

THE CENTRALEER has shown through the years the growth of our school. It gives us a condensed record of the events of a school year. This is your yearbook, just as this is your school—building, classrooms, students, faculty, and activities. These will help you to remember in years to come the events of the '68-'69 year.

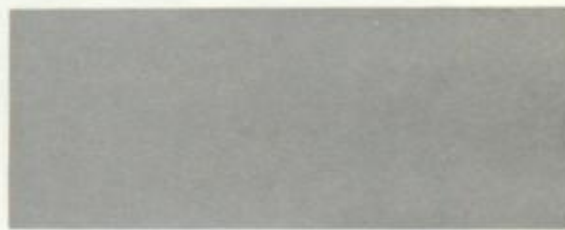

With a look toward the future I ask these questions. Will you prepare yourself for one of the vocations possible through further training? Or have you completed your formal education? To you who plan to further your education may I say that you are living in a time in which opportunities have never been greater since the dawn of civilization. All fields of living are begging for those who have properly prepared themselves. You can be just what you want to be, but it will take much hard work. To you who plan no more formal education, we, at Central, hope that through your school work here you have better prepared yourselves to meet life's needs.

SENIOR RINGS

Senior Rings. What are they? What do they stand for?

These ornaments of gold and stone represent twelve long, hard years of school. In those rings are the joys and tears, the good times and the bad that each of us experienced.

In them are the memories of football games, pep rallies, homecoming, exams and report cards, excitements and disappointments, the joy of victory, and the agony of defeat.

Twelve years of accomplishment are molded into each of those rings. But those rings do not mean the end to something—only the beginning. Those rings stand for a future for each of us wherever it may be.

Junior Class

The Junior Class is always bound to be one of the hardest years for any class, and this past year was no exception. With the Junior-Senior Banquet, Junior Christmas Program, and Talent Show, all 127 Juniors had to work hard for these events, along with their regular studies. With the help of our President, Deacon, and sponsors, Mrs. Ross and Mr. Brint, we hope we have made this Junior Class one of the best.

Sophomores

We've now grown one year older, and in so doing pass on our title of "The Greenies" to our freshmen. This was the year that we, as sophomores and upperclassmen, really began to feel a part of Central. With the guidance and help of our sponsors, Mrs. Vaughan and Mrs. Cary, we hope to make Central an even greater school for those who will come after us.

Memories Central

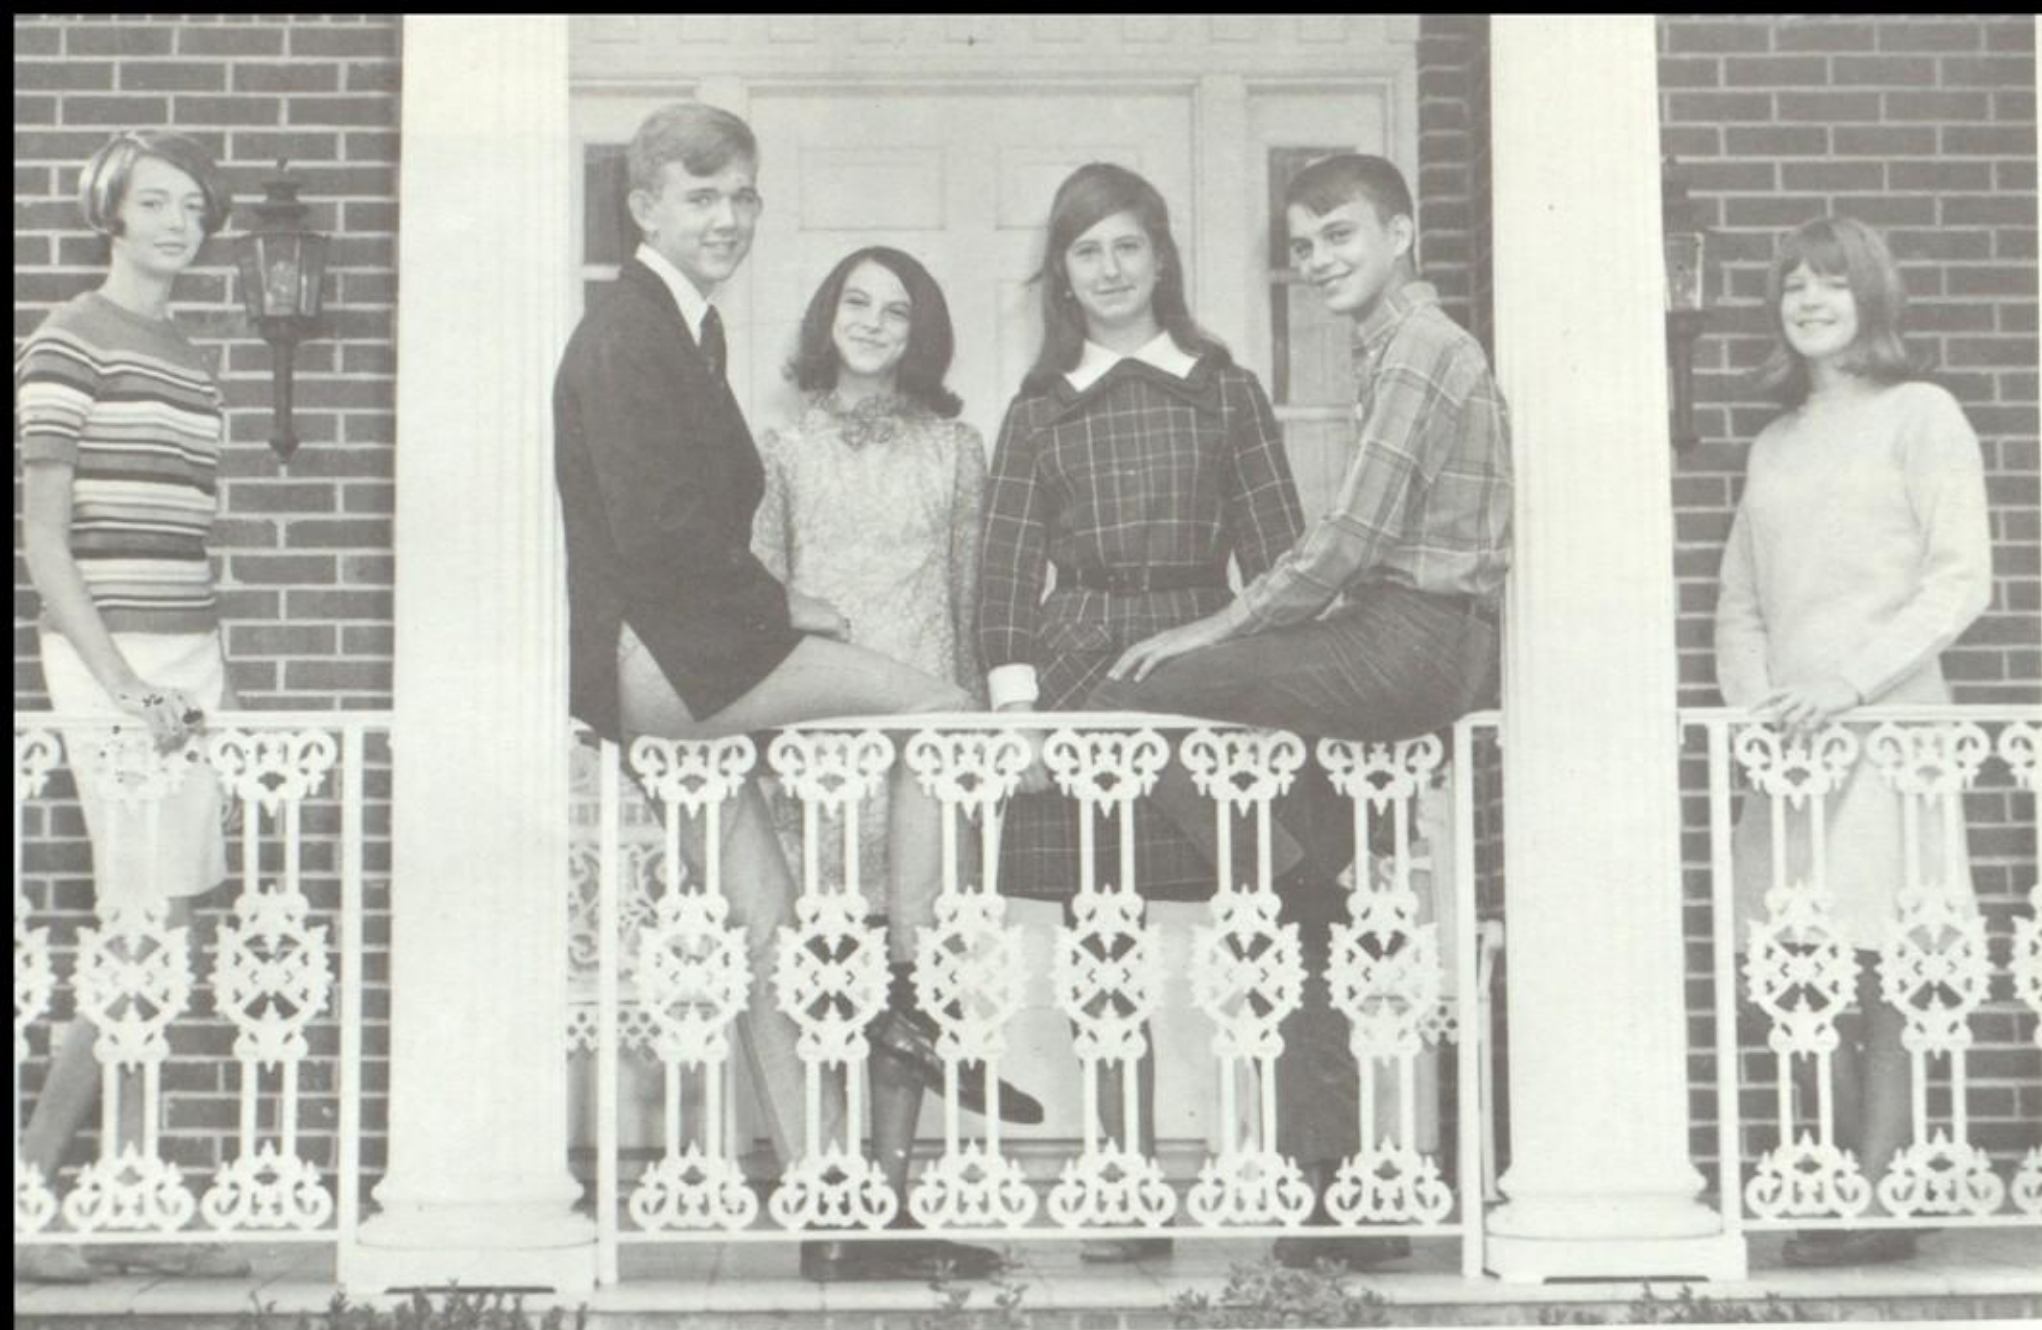

of '68-'69

These pictures remind us of many things that happened in this school year: the spaghetti supper with the smell of onions and peppers pervading the hall for two days; the election of class officers and the campaign posters all over the building; some assembly programs (the womanless beauty review, Edward Basden as Santa Claus) the Christmas parties for the winners of the magazine campaign; the pep rallies in the auditorium; an empty classroom; books stacked in the library.

All these and more give us the sights, the sounds, and the smells of the past year at Central.

Freshmen

We, the 1968-69 Freshman class, entered Central with feelings of excitement and anticipation. After a few weeks of uncertainty, we have now settled down to the routine of attending classes, and becoming members of organizations. We sincerely hope that we can work together as a class and learn from each other, for we are determined to make our class worthy of recognition from our school. In doing this, we must have the determination and interest of not only every freshman, but all the students at Central.

Organizations

The Future Homemakers of America is an organization for all girls enrolled in first, second, and third year home economics. One of their main purposes is to further an interest in home economics. This is fulfilled many ways by projects. Each year they make ditty bags for the patients at Western State Hospital, prepare a booth for the fair, hold an annual fashion show, and a mother-daughter tea. Each year they select a F.H.A. mother and F.H.A. beau. This year they are Mrs. Joe Nuckolls and Wayne Ubelhor. Central is the host for F.H.A.-Day, which is a meeting of all schools in the Bolivar Sub-Region. F.H.A. is a club where a girl can grow as an individual. This year's officers are President Jane Nuckolls, Vice-President Beth Eastham, Secretary Wanda Burkeen, Treasurer Debbie Carver, Parliamentarian Nannettee Breeden, Historian Rosemarie Shearon, Reporter Linda Clifford, and Song Leaders Terry Cross and Donna Dukes.

FHA

Have you ever wondered who is responsible for those thoroughly enlightening programs for assembly each Friday? That, kids, is the job of the Assembly Committee. This group of students and faculty make the phone calls and send the letters contacting the guest speakers. This year's committee has done an excellent job in providing the students with humorous, serious, and entertaining programs.

The officers of the Assembly Committee for this year are:

Chairman—Joe Wheeler

Vice-Chairman—Pam Jackson

Secretary—Irene Boyd

Sponsors—Mrs. Elizabeth Bowen, Mr. Joe Sills, Mr. Joe Martin.

Assembly Committee

Beta Club

The Beta Club, sponsored by Mrs. Rebecca Vaughan, publishes annually a directory listing clubs, class officers, and all students and their telephone numbers. The Beta Club also sponsors the annual Christmas tree. This year, as a new feature at Central, this club has offered tutoring services for those needing help in specific subjects.

The Beta Club is composed of members of the Sophomore, Junior, and Senior classes who are able to maintain a 3.5 average throughout the year.

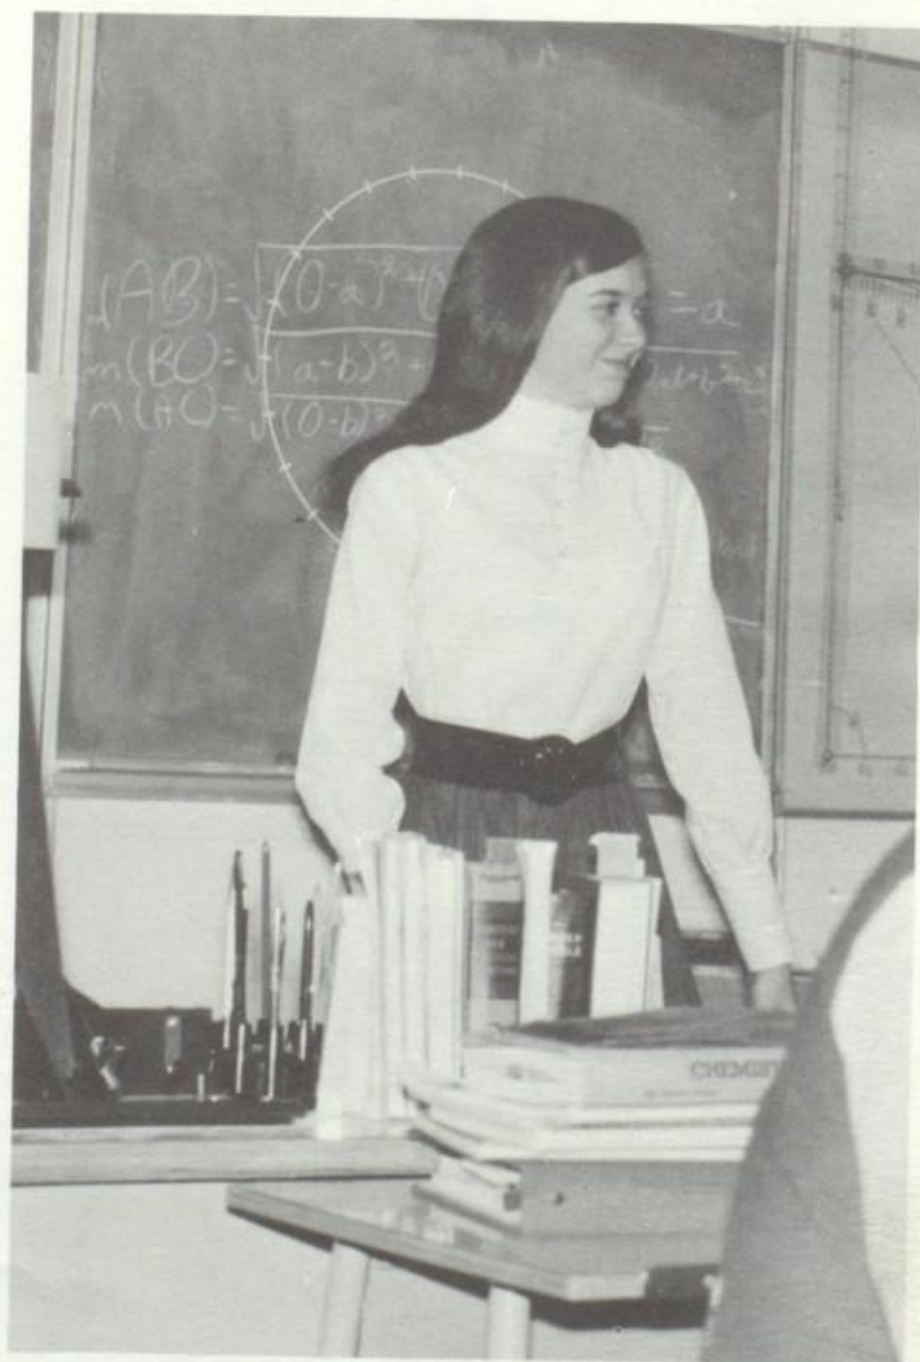

This year's officers are:

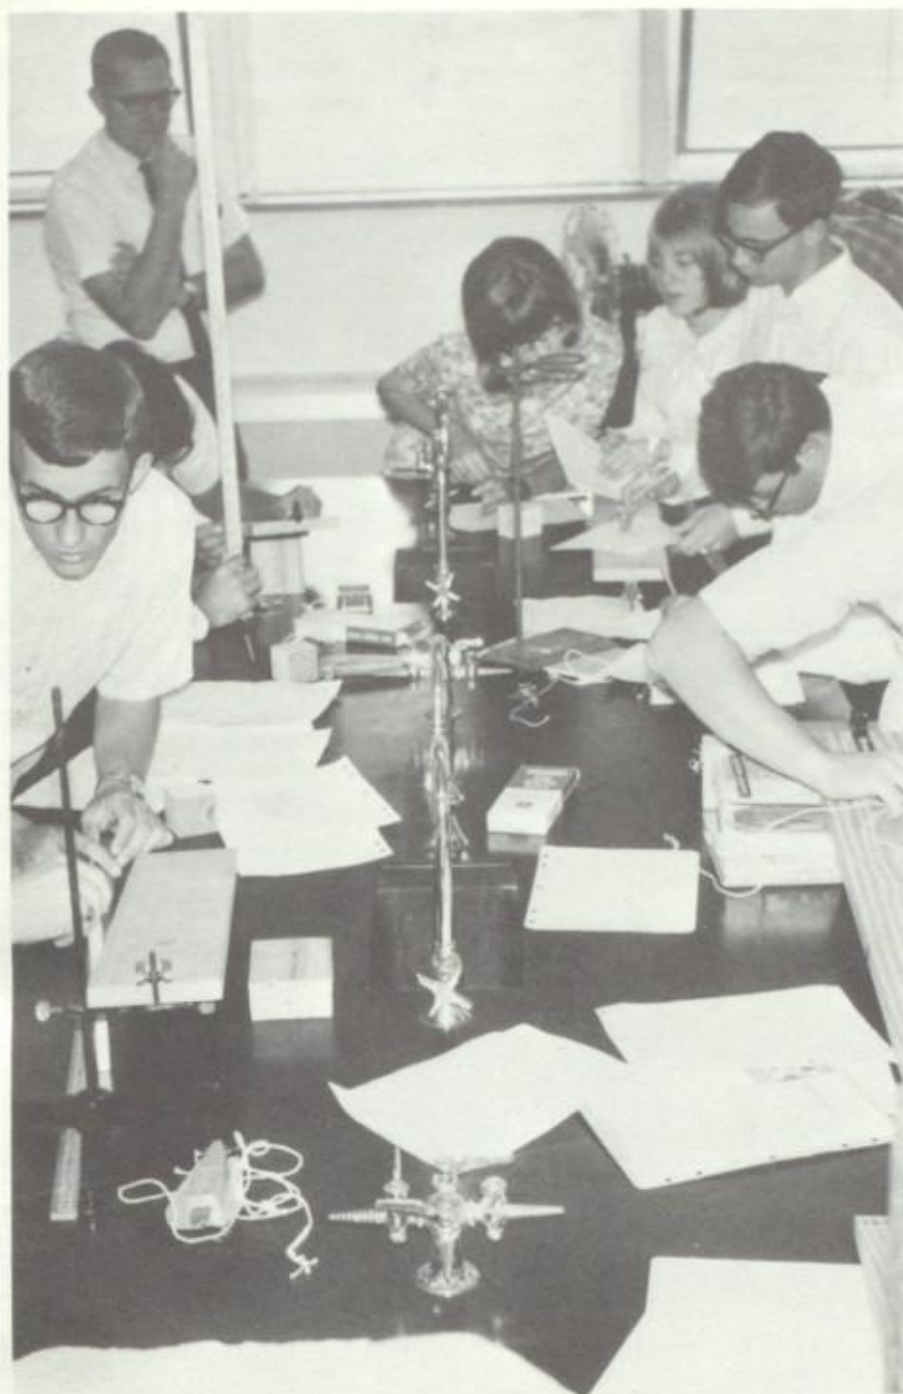

President—Gloria Cox

Vice-President—Mike Owens

Secretary-Treasurer—Wanda Burkeen

Reporter—Janet Warr

Science Club

The Science Club is composed of those students taking Biology, Chemistry, or Physics as a free elective. In order to retain membership a student must maintain at least a "b" average in all science courses. The objectives of this club are: to provoke thought, to train in inductive and deductive methods of reasoning, to view vocational opportunities, to develop powers of observation to stimulate research and experimentation, to supplement factual information of the classroom, to develop a love of nature, to appreciate and be able to adjust to any natural surroundings, and to formulate a personal philosophy of life.

The officers of the Science Club for this year are:

President: Andy Martin

Vice-President: Mike Kirksey

Secretary-Treasurer: Sandra Street

Sponsor: Mr. James Chumney

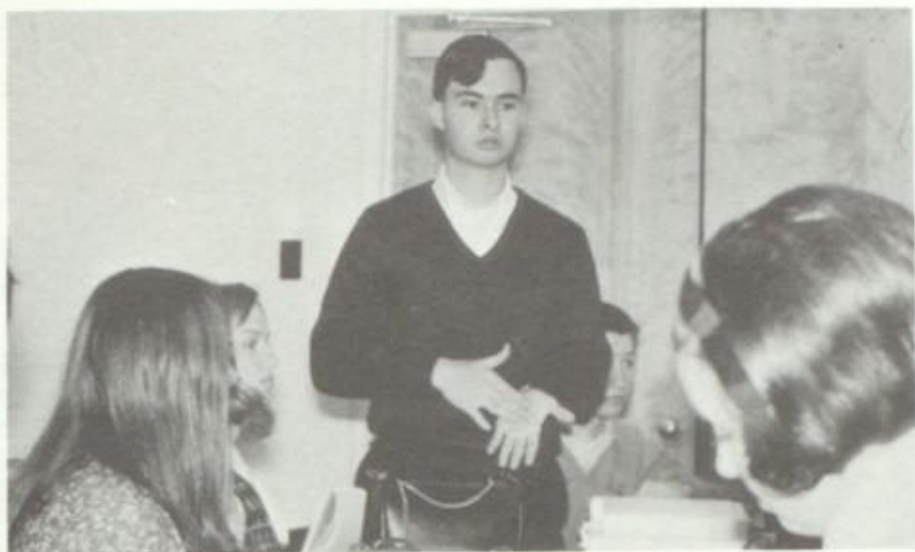

Library Club

It is considered a privilege to work in the Library Club (it gets you out of study hall). The girls take care of the books, collect fine money, and work on bulletin boards to make the library more attractive.

Each year at Christmas, the Library Club has a party for the library aids' mothers and the faculty. In May, the club has a party at Mrs. Durrett's home for the graduating members of the club.

The officers for this year are President Mary Lane Weems, Vice-President Debbie Carver, Secretary Debbie Hammons, Reporter Barbara Desbien, and Program Chairman Alice Holt.

Student Council

Composed of two freshmen, three sophomores, four juniors, and six seniors, the student council is the representative body of the school. Among the activities of this group is the sponsoring of the Who's Who and reserving a row of seats for visitors in assembly. Under the guidance of Coach Wilson, we attempt to present the views of the students at Central. The officers are Chairman Mike Owens, and Secretary Jan Stallings.

World Affairs

There was a heated debate last November in Room 2. Why? It was only the World Affairs Club trying to determine who would make the best president of the United States. This was only one of its many activities through the year.

The purpose of the club is to further the knowledge of the world affairs and to mark the trends of contemporary history. Through this we hope to become better citizens of the U.S.

Membership is open to anyone who has taken one year of social studies and has maintained a "B" average.

The officers for this year are Mike Owens, President; Cindy Williams, Vice-President; Barbara Desbien, Secretary; Wayne Russell, Sgt. at Arms; Dennis Peterson, Parliamentarian; and Raymond Siler, Reporter.

FFA

The FFA is a national organization made up of boys studying vocational agriculture. The students in this organization get the benefits of a broad offering in class and work experience.

The Chapter is advised by Mr. Joe W. Martin, who works diligently for the success of his students. The officers for the 1968-69 school year are:

President—Wayne Ubelhor
 Vice-President—Don Grantham
 Sentinel—Joe Shields
 Reporter—Ted Greene
 Secretary—Terry Henry
 Treasurer—Wayne Majors
 Advisor—Joe W. Martin

FTA

Being one of the largest organizations at Central, the F T A acquaints students with the basic requirements of education and character needed to pursue a career in teaching. Even if one does not plan to teach, he can still join the club. Through this club students receive help in college choices.

Open House for American Education Week, teacher appreciation, a Christmas party, and Senior appreciation tea are a few of the many projects which the F T A undertakes each year.

The officers are as follows: President Opha Farris, Vice-President Roger Ervin, Secretary Beth Eastham, Treasurer Janet Stallings, Reporter Joe Wheeler, and the sponsor is Mrs. Dixon.

Archery Club

The Archery Club is composed of students who have an interest in archery and are affiliates with the National Archery Association. The club has several qualified bowmen and provides good practice for the beginner. The officers are:

President—David Howard
 Vice-President—Joe Keller
 Secretary—Don Grantham
 Treasurer—Sammy Pirtle
 Field Marshall—Randy Doyle
 Sponsor—Mrs. Jane Gerrell

Spanish Club

The Spanish Club, as the name suggests, is a language club made up of those students taking Spanish, or having a knowledge of the Spanish language. This year Mr. John Oldham returned to Central, and he assumed the responsibility as sponsor of the Spanish Club. The main project of the Spanish Club during the school year is caroling in Spanish at Christmas. The officers of this year's club are the following:

President—Janet Warr
 Vice-President—Betty Lax
 Secretary—Freida Dickerson
 Reporter—Debbie Hammons
 Treasurer—Elaine Avent
 Historian—Wanda Klimecki
 Sponsor—Mr. John Oldham

The Deca Club is for students enrolled in Distributive Education. The students are interested in marketing, merchandising, and management. The purpose of vocational education is to prepare the students for gainful employment in their chosen career.

In our chapter, we are engaged in several activities. We enter a Regional Leadership Contest at Jackson, Tennessee annually. Every year two are selected to go to Nashville for the State Leadership Conference. We enjoy an Employer-Employee Banquet each year.

Our club has a variety of ways of earning money. We operate a record shop and sell records and albums throughout the school year. We have sold a variety of other items throughout the year.

If you have a career interest in marketing, consider Distributive Education.

Deca Club

The officers are:

President—Tony McLeroy

Vice-President—Terry Young

Secretary—Diane Stanley

Treasurer—Joe Hindman

Reporter—Jim Payne

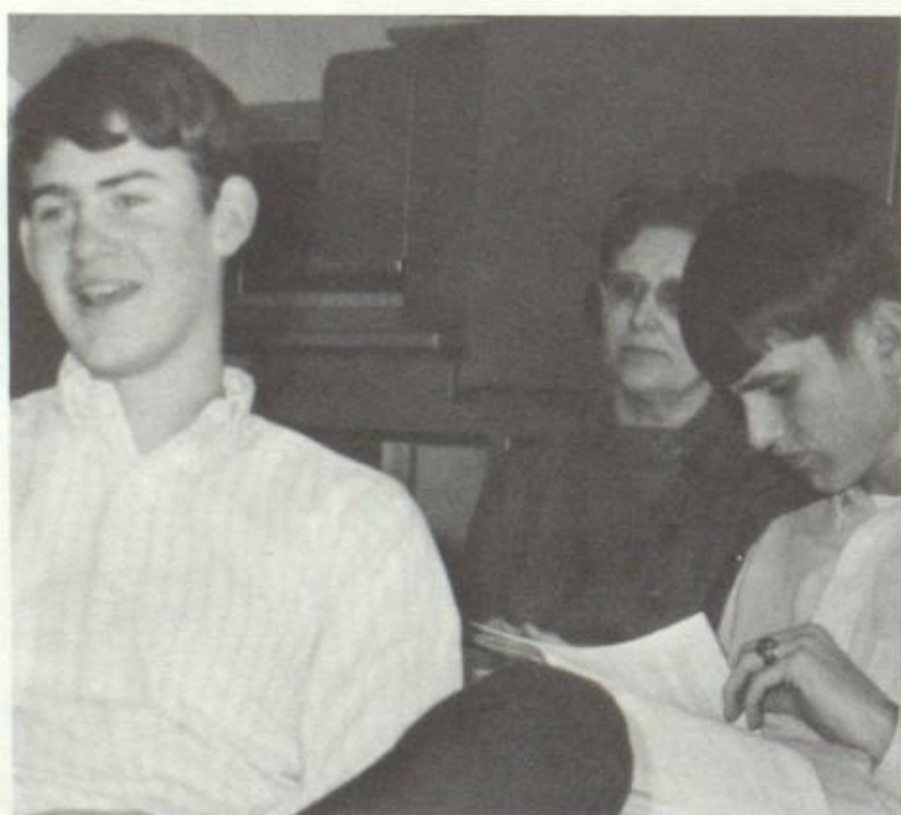

Sponsor—Mr. Gary Sadlack

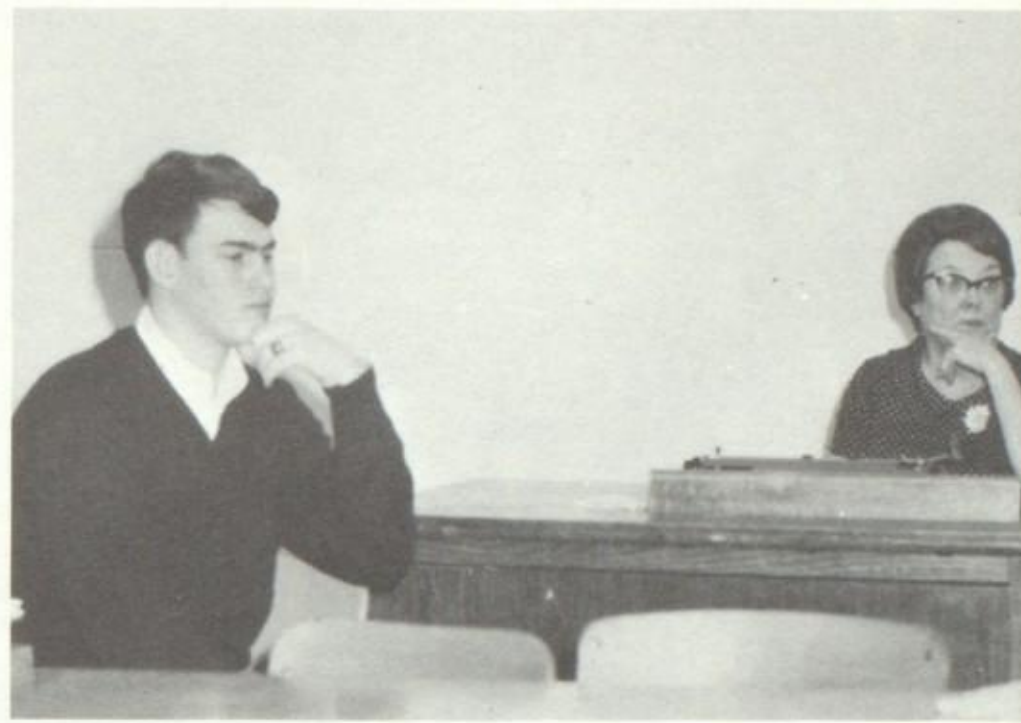

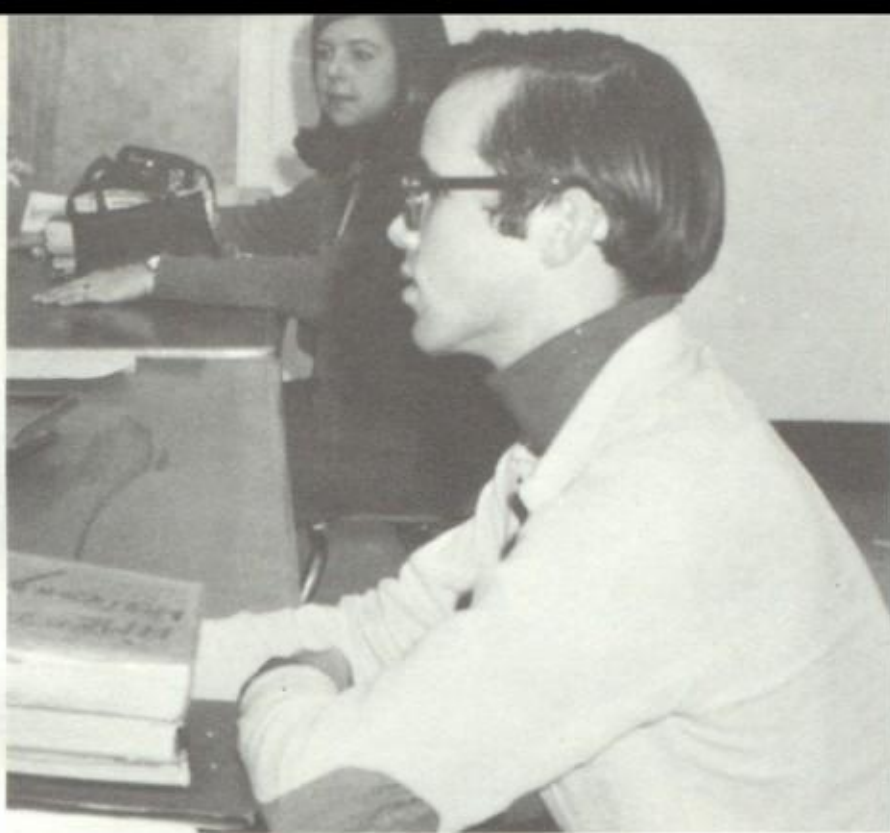

Journalism Club

The Journalism Club is composed of students who are especially interested in writing. As a requirement for membership, each student must write an article for each edition of the school paper. Anyone who is interested is urged to join. Our sponsor is Mrs. Bowen. Officers for the year are President Andy Bishop, Vice-President Joy Siler, and Secretary Teresa Reynolds.

Quill & Scroll

The Quill and Scroll is an honorary society for promotion of journalistic achievement. Students eligible are those in the upper-third of the junior or senior classes who have served in some field of journalism for two years.

Every year the club edits a school anthology consisting of outstanding poems, essays, and short stories written by students of Central.

This year's officers are President Ann Clifford, Vice-President Don Wilson, and Secretary Nancy Nelms.

Booster Club

The Booster Club officers are:

President Nancy Nelms
 Vice-President. Mary Lane Weems
 Sandy Rinks
 Belinda Davis
 Secretary Jane Yarbrough
 Reporter Debbie Hammons

Each year the Booster Club does a series of projects. The first major endeavor is dish washing and clean up during the annual spaghetti supper. The club members clean windows and other house duties for open house during Educational Week in November. For the third big attainment, the club sponsors the Christmas baskets for needy families. The members get most enjoyment from this. The happiness expressed by the recipients of these baskets is still another joy to remember. The fourth enterprise is the tea for the Seniors. I suppose this is a farewell to all and, especially, the seniors who are Booster Club members. The club members assist in any type of work as our slogan is "willingness to work".

Office Staff

This year six girls were chosen to be on the Office Staff. Each girl works during the time of her regular study hall. Her job is to run errands for the office. The six girls are Ann Sinclair, Betty Lax, Judy Ervin, Denise Bryant, Gloria Cox, and Janet Babb.

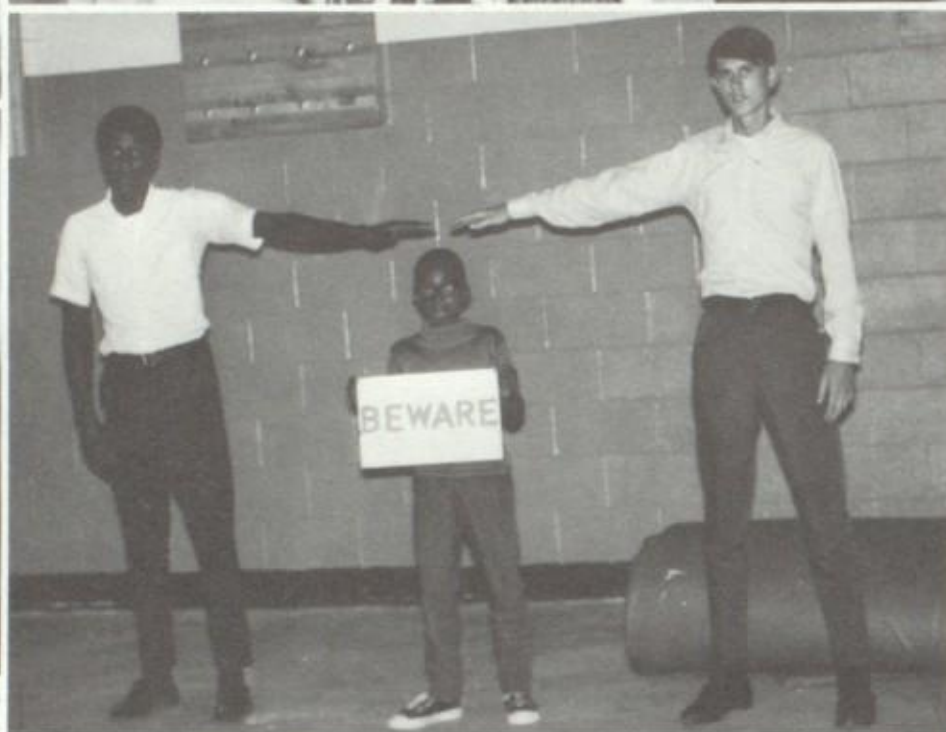

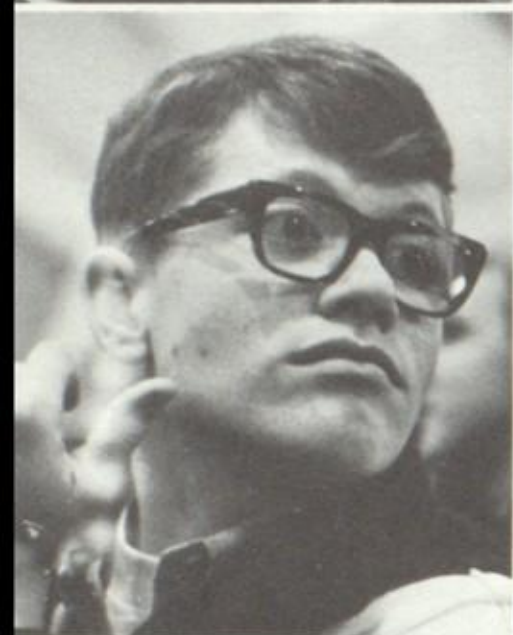

Magazine Campaign

Although we didn't reach our goal this year in our annual magazine campaign we did have a lot of fun; of course, there was work, too. The co-captains, Joe Wheeler and Mike Owens, advised by Mrs. Charline Durrett, had the tempting job of counting the money taken in from all the rooms and making sure everything tallied.

The high salesman this year was Danny Lindsay; with second and third places going to Debra Sain and Belinda Williams, respectively. The high rooms were: first—Mr. George Brint's Biology Class and second—Mrs. Landis Ross's Latin I Class. (What happened to the juniors and seniors?) On the last day of school before the Christmas holidays; each of these two rooms had, to the agony of their teachers, a rip-roaring, swinging party.

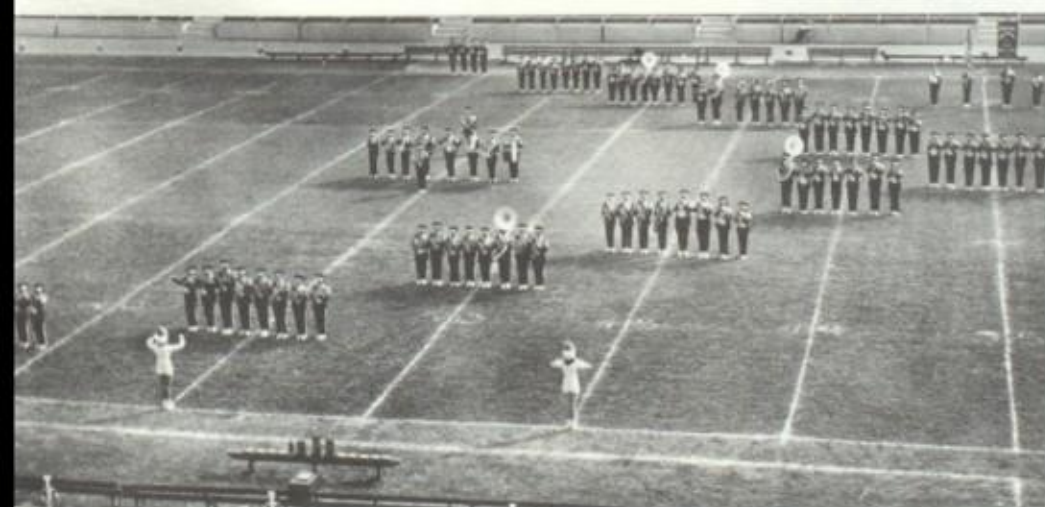

Time off at Central often gives way to different activities, which range from talent shows to Christmas programs to basketball games to goofing off. Basketball games inspire different expressions, according to who's winning or losing. The assembly programs provide stimulating and intellectual enlightenment. Often the rehearsals are more entertaining than the final show. (David, where'd you get that book?)

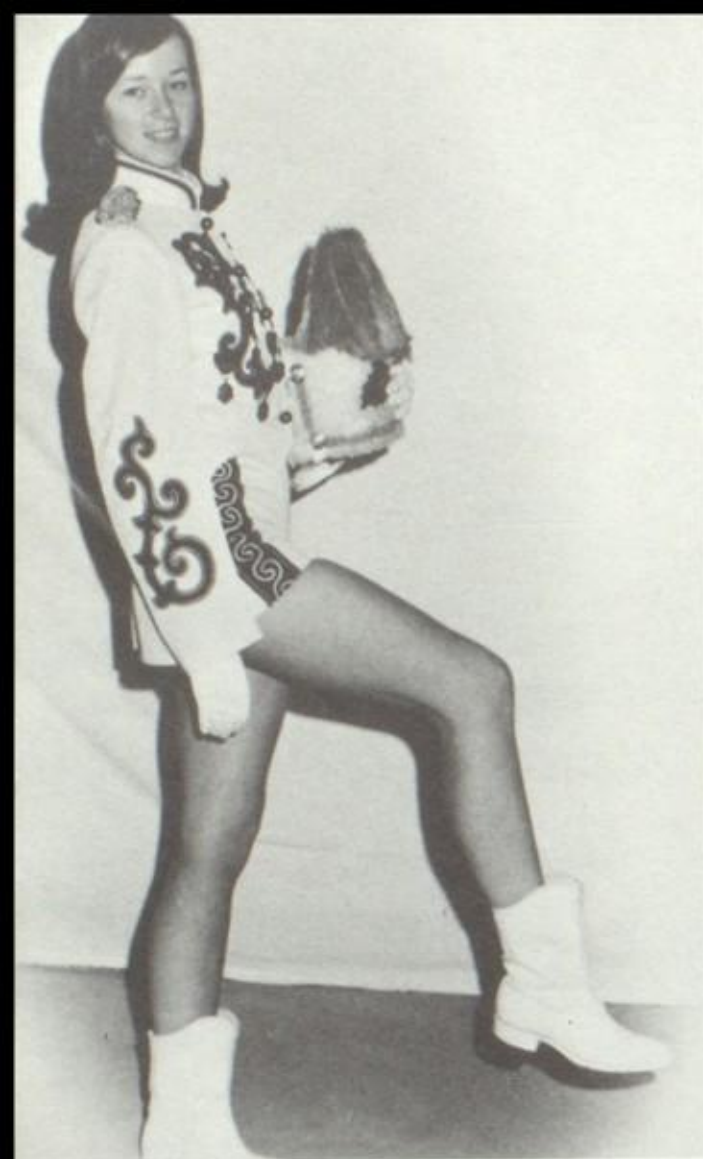

CHS Marching Band

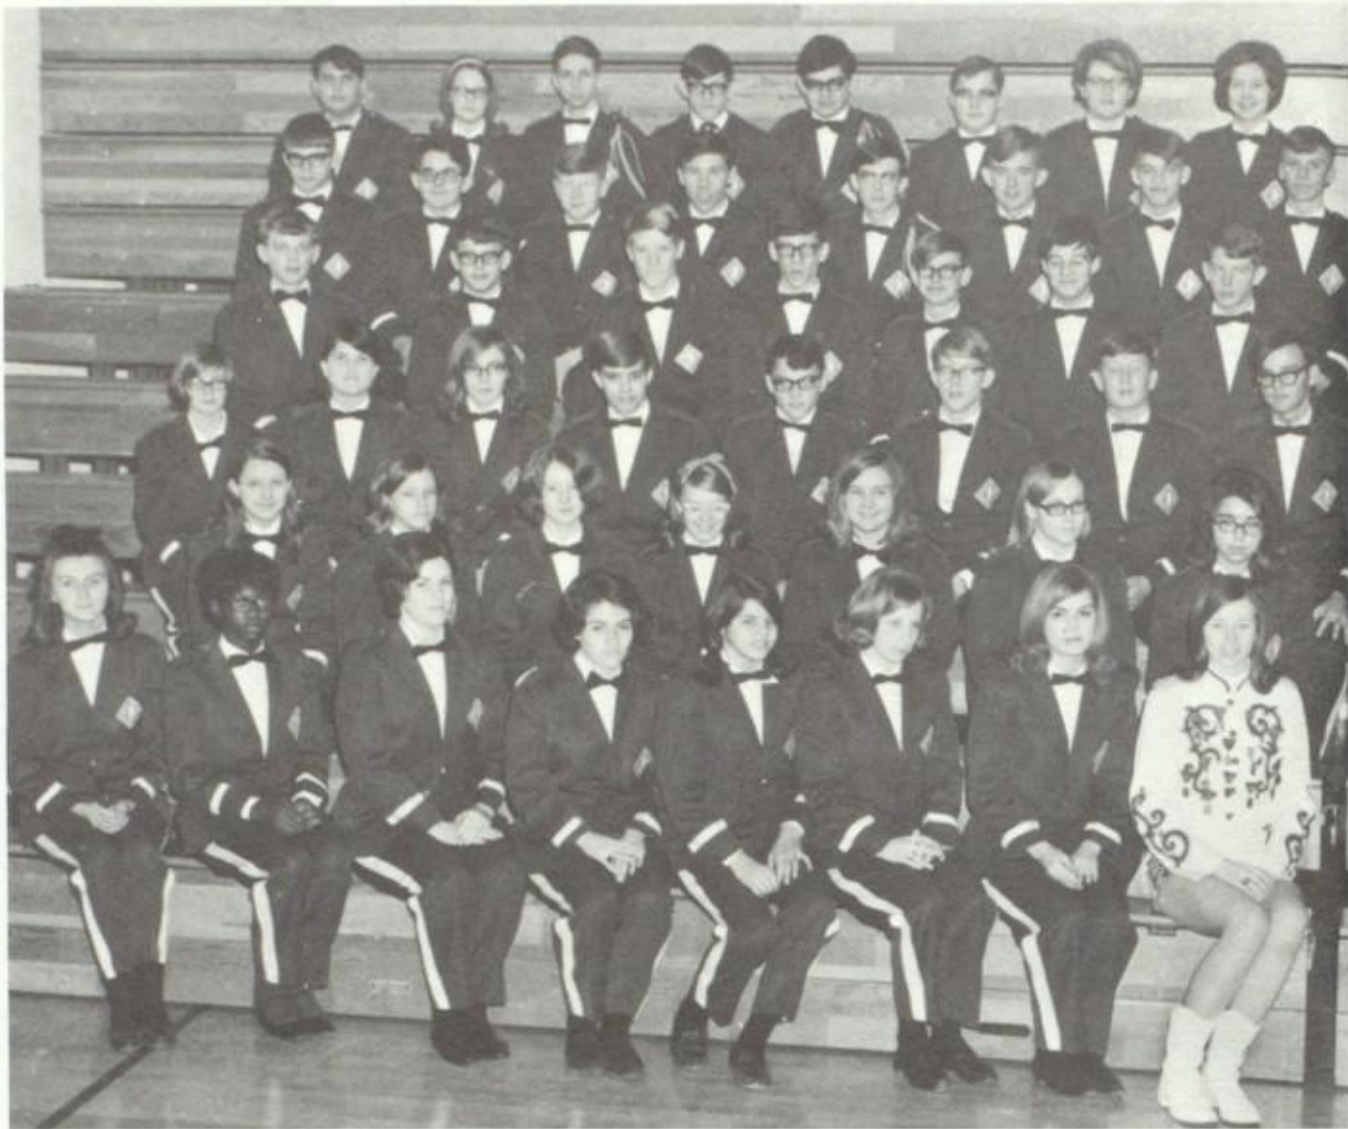

This year the Central High School Marching Band has won many honors.

The band won first place at Memphis State University Marching Contest and received superior ratings at West Tennessee and Middle Tennessee State Marching Contests. The members of the band worked very hard to obtain these high honors and should be commended for their outstanding accomplishments.

Band

The 1968-69 C.H.S. Band is composed of six different sections. The woodwind section is composed of the flutes, clarinets, and saxophones. These instruments back up the effect produced by the brass. An equally important section is the majorette section. Each section is composed of hard working students.

Sections

The all-powerful brass section is composed of the trumpets, horns, baritones, trombones, and basses. The brass along with the percussion section produce the mighty sound of the Tiger Band.

Each section of the band is headed by a section leader and an assistant section leader.

The majorettes are a very important part of the C. H. S. Band. These girls work just as hard as the band does in perfecting their routines.

Last summer, they attended camp at Austin Pea State University in Clarksville, Tennessee, to learn better twirling techniques and new dance steps which they used in the half time shows of the football games and in their annual assembly program. The majorettes hope that their addition to the band has made the performances of the band more enjoyable to all.

Our Coach

Faculty and students alike were cast into gloom and a deep sense of loss when it was announced that our Coach Don Wilson was leaving us at the end of the year. Central without Coach Wilson will never be quite the same. His influence on school life has extended far beyond the football field or the Physical Education classes. As advisor to the student council, he has been a clear thinking, energetic stabilizer to the voice of Central. As an ever-popular Master of Ceremonies he has added much to our assemblies. As a Christian gentleman he has been an inspiration to us all in every field of school endeavor.

As coach he has guided his players with the characteristics of a true man. Into every player he has coached, he has instilled the desire to win and the qualities of good sportsmanship. Central owes more to Coach Don Wilson than it could ever repay.

We wish him the best in whatever he chooses to do, wherever he chooses to go.

Tigers Win Season Opener 12-7

Coach Don Wilson's inexperienced Tigers opened the 1968 football season as they downed Somerville 12-7. Halfback Tommy McAnally scored the Tigers first TD on a 33-yard jaunt in the second quarter. Minutes later, quarterback Wayne Russell hit Barry Bryant for a 46 - yard TD to give Bolivar all it needed. Somerville scored its only TD early in the second half.

Tigers pursue.

Tigers Lose Defensive Battle 6-7

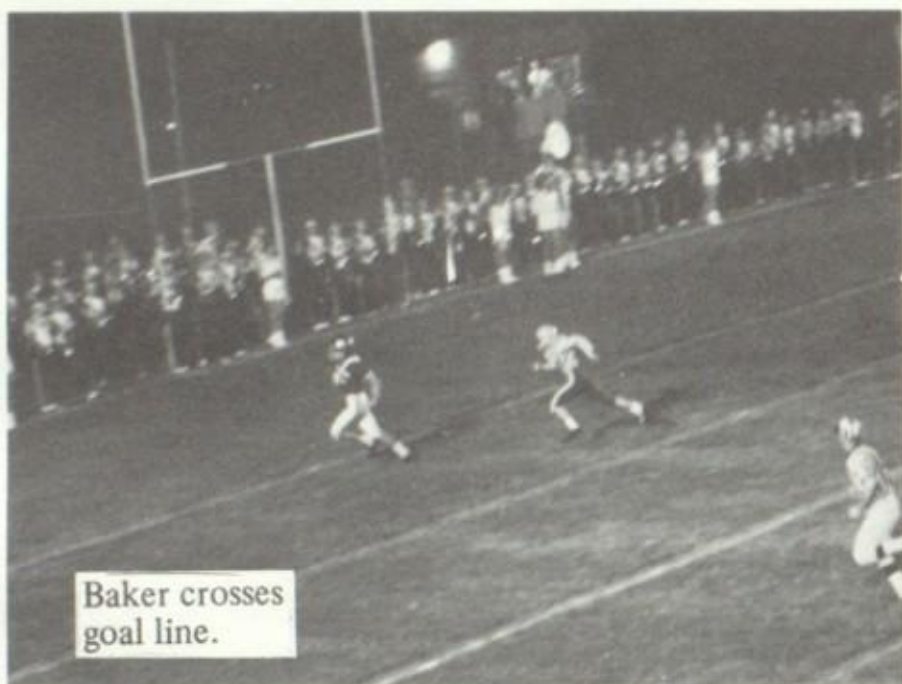

Central lost a heart-breaker to Northside in the second game of the season. Quarterback Wayne Russell bootlegged 11 yards around left end for the Tigers only score. The Tiger defense held Northside until the fourth quarter. On the first play, Northside scored on a 38-yard pass. The PAT was good. Northside protected its lead until the final buzzer.

Tigers Smash Riverside 25-6

Bolivar built up enough points in the first half to overpower Riverside. Quarterback Wayne Russell put Bolivar on the scoreboard early in the game. Mike Kirksey recovered a Bolivar fumble in the end zone for the next Bolivar score. The PAT by Chumney was good. Russell completed passes of 40 and 25 yards to end Billy Baker for the next two Bolivar scores. The pigskin changed hand late in the fourth quarter. Riverside scored on a 40 yard pass. The game ended with Bolivar as the victor.

Baker crosses goal line.

Chumney boot PAT.

Wooddale Spoils Tiger Homecoming 20-6

Bolivar was unable to stop Memphis Wooddale when they began to move. Bolivar jumped to an early lead when Fullback Tommy McAnally found a hole in the middle of the line and romped 60 yards to paydirt on the first play from scrimmage of the game. Wooddale scored just before the half and took a 7-6 lead into the dressing room. Wooddale scored once in each of the remaining quarters. The game ended with Wooddale on top 20-6.

Hammons takes spill.

Greenwave Takes Revenge

Five Bolivar players got into the scoring act as the Bolivar Tigers routed Selmer 44-6. Wayne Russell and Tommy McAnally each scored twice. The game was less than two minutes old when Barry Bryant went over left tackle and raced 55 yards for Bolivar's first TD. Chumney booted the extra point to put Bolivar out front 7-0. Russell scored next on a 6 yard run around left end. Chumney again kicked the extra point. Selmer scored its only TD early in the second quarter. Russell scored his second TD on a nine yard run. McAnally then scored his first TD on a 10 yard run over right guard. In the third quarter McAnally scored on a 63 yard jaunt. Andy Martin snagged two Selmer passes and took the last one into the end zone. Bolivar's last touchdown came on a pass play from Elmer Hicks to Danny Palfreeman.

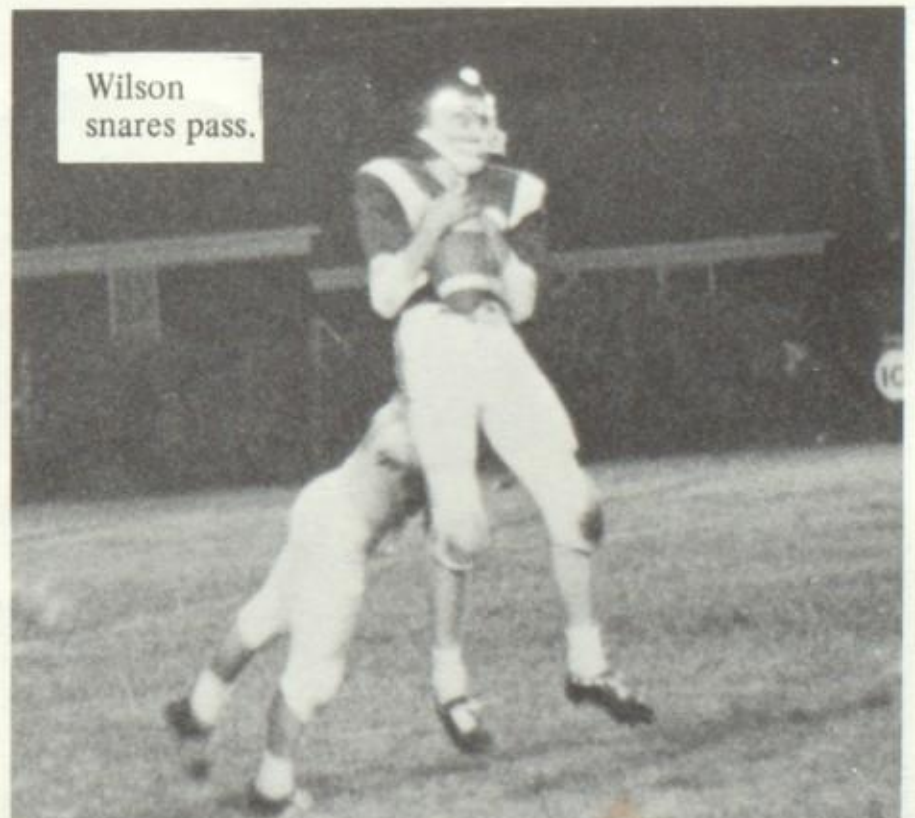

Russell sprints.

Lexington Proves too Strong 41-6

Lexington's Red Tigers overpowered Central 41-6. Bolivar held the red men for the first quarter, but Lexington broke loose and led 20-0 at half time. Tommy McAnally scored Bolivar's only TD in the third quarter after the Bolivar eleven had blocked Lexington's punt, and recovered it on the Lexington 22.

Southside's Quickness Stuns Central 33-12

Bolivar was unable to stop South Side's small but fast backs. South Side jumped to a 27-0 lead in the first half, but Bolivar scored on a 30 yard pass to Billy Baker with seconds remaining. In the second half, South Side was able to score only once. With eight seconds remaining in the game, Tommy McNally burst through the line to score from eight yards out.

Henderson Beats Bolivar 41-20

Bolivar fans saw Central jump to an early lead against Henderson. Wayne Russell scored Bolivar's first TD on a 48 yard run through the middle of the line. The touchdown followed a tremendous defensive effort by Bolivar. With Henderson knocking at the door on the ten yard line, Bolivar's defense pushed its opponent back 85 yards in four plays. Russell's TD followed a Henderson punt. Minutes later Ray Hammons pulled in a Russell pass and raced 60 yards to paydirt. Henderson's quarterback Joe Rush took over from this point. He fired five touchdowns passes. Tommy McNally scored Bolivar's other TD on a 12 yard run up the middle.

Savannah Overpowers Bolivar 48-0

Bolivar was unable to stop Savannah from the very beginning of the game. Charles West, Savannah's fleet halfback, scored five touchdowns against the Green Wave. Randy Ayers was converted from guard to fullback for the game. Several times gaping holes were opened up for him.

Bolivar Overturns Bruceton 6-0

The Mighty Tigers seemed to shrug off the disappointments of the season as they outlasted Bruceton 6-0. It was the passing of Kenneth Chumney and the running of Tommy McAnally that enabled Bolivar to control the pigskin during a majority of the game. The winning touchdown came on a 45 yard pass from Chumney to wingback Wayne Russell in the third quarter. Bolivar's defense was penetrated only a few times.

Football Royalty

The crowning of the football royalty was the sparkle of the 1968-69 Homecoming game. The royalty was selected by the football players themselves. The royalty was Queen, Donna Doyle; First Maid, Nancy Nelms; and Second Maid, Freida Dickerson. The Queen was escorted by Tommy McNally, First Maid by Mike Kirksey, and Second Maid by Ray Hammons.

Basketball Cheerleaders

The dominant voices you hear at the basketball games are those of the basketball cheerleaders. They are Nannette Breeden, Pam Jackson, Linda Maxwell, Linda Clifford, Captain; Donna Doyle, Opha Farris, Susan Baker, and Janet Stallings.

BOYS' BASKETBALL

The 1968-69 boys' basketball team presented an exciting season this year, especially with the teams of Sommerville, Grand Junction, and Selmer. Although the team has won 9 games, and lost 12 this season, they had expert instruction and guidance under their coach, James Tisdale, and the managers, Danny Lindsey and Joe Wheeler. The "B" team played five games and won four.

There are loads of things that students at Central do besides study. Some of them are the Junior Christmas program, the F.T.A. Christmas party, the Football Banquet, pep rallies, and basketball games. The varied expressions that you see reflect the personalities of the people. Caught you, didn't we, Roger?
